

## Group Tennis Instruction for High School players

I'm offering **High School group lessons on Tuesdays from 10 to 11:30** and will continue to keep that day and time open for this group throughout the summer so long as there is interest.

If you have any questions, concerns or suggestions, please don't hesitate to contact me. I will send out an email each week to my distribution list\* as a reminder and for any news or changes. **And remember that I'm always available to do adult, middle school and high school private, semi-private or group lessons as well!** (My normal fee for private instruction is \$40/hour; however, for Murray and Ashley team members, I'm charging only \$25/hour. Please reach out and get on my schedule as soon as possible.)

**Be sure to always "reserve" a spot for groups by responding to this email** (to me only). Thank you all for your support and trust! Please feel free to forward this to friends.
